**Please read and sign:** Many factors determine which applicant will be matched with a particular pet. If you are not able to adopt a pet today, it does not mean that you are not considered a good pet owner or that your home is not acceptable. At TEP, we are committed to finding the best possible match for our fosters. We truly work hard to identify families that share our philosophies and will be a good match for our fosters based on information we have observed.

**I have completed this application truthfully and fully understand the adoption process.**
